

The 10th Annual
Scientific Meeting
July 17-19, 2026
Hotel Albuquerque,
Albuquerque, New Mexico

SPONSORSHIP PROSPECTUS

Member Profile

The Research Society on Marijuana (RSMj) is an international network of scientists, clinicians, and community partners with the shared goal of promoting understanding through empirical research of the determinants, correlates, consequences, contexts, and assessment of marijuana use as well as the treatment of problematic marijuana use, including cannabis use disorder.

Meeting Profile

This is our 10th anniversary of this conference. The theme is to highlight our work on cannabis research over the past 10 years and celebrate the founding members. The meeting will be held in Albuquerque as that is where our organization started just over 10 years ago. The meeting is occurring at the beautiful Hotel Albuquerque and will feature acclaimed keynote speakers, symposia, panel discussions, and poster sessions on the latest cannabis research.

Meeting Schedule

We are excited to offer a 3-day schedule for the 2026 Conference! The meeting begins on the morning of Friday July 17th with the opening keynote, followed by a full day of activities. The conference continues on Saturday July 18th, starting with the second keynote, and concludes on the afternoon of Sunday July 19th. Each day is packed with scholarly sessions, including symposia and poster sessions, as well as networking opportunities. Meals, breaks, and social hours round out the weekend.

SPONSORSHIP CONTRACT

To become a sponsor, please read the options to the right. All sponsors will be recognized on the conference website, in marketing materials, and during the conference.

Sponsorship packages are the most cost-efficient method to get publicity and ad space for your organization.

Choosing and paying for a package is easy! Simply email Dr. Bradley Conner (brad.conner@colostate.edu). He will walk you through the process of choosing a sponsorship option and paying the corresponding fee. We prefer payment by Credit Card.
